OUR COMMUNITY

Located on the western boundary of Oklahoma City, Yukon is one of the largest growing suburban cities in Oklahoma. With a growing population of 25,000 strong, it is known for its American Indian and Czech Heritage. Yukon Mill and Grain Company and Route 66 run through the heart of downtown Yukon. Because of its rural and blue-collar history, SWCS has intentionally sought to keep tuition at a reasonable rate for working families.

ACCREDITATION AND MEMBERSHIP

Southwest Covenant Schools is accredited by Christian Schools International and the Oklahoma Private School Accrediting Commission. We are a member of the Association for Christian Schools International and the Oklahoma Secondary School Activities Association.

Valedictorians have the highest cumulative grade point average. Salutatorians have a minimum of a 3.85 grade point average.
