

## CALL TO ACTION

We invite our school family, friends, grandparents, and anyone interested in seeing Christ's influence on our world grow, to be a part of what God is doing at Southwest Covenant.

Southwest Covenant has had outstanding success academically, but it is our Biblical education that sets us apart. We are a discipleship ministry that is committed to integrating God's Word into every class at our school.

## THE BIG VISION

An investment in our **BIG Vision** truly is an investment of substantial significance. By growing our facilities we will be able to serve more families seeking to be a part of the SWCS mission.

This is an opportunity to give toward a ministry that is educating and equipping students to influence the world for Christ.
